Further remarks: _____

Direct shipping to end customer
no yes delivery address:

Goods receipt at Testo Industrial Services: _____
Date

Desired goods return from Testo Industrial Services: _____
Date

Important Notes:

- Our calibration references are reserved for the goods receipt and return date of the order as agreed above. The order can only be processed properly if the test equipment arrives on the agreed date. Please send your test equipment by express delivery.
- The forward order only refers to functional test equipment. If a defect is detected during calibration, it is likely that the deadline cannot be met.

Thank you very much for your effort.
